## NEWS FROM THE DOC

### OUTDOOR SEASON RIGHT AROUND THE CORNER!

Longer, warmer days typically mean that spring is right around the corner. Which also means that soccer season is about to kick off again. I am currently working to coordinate my coaching staff and will be meeting with parent managers soon. Important information for all players can be found in this newsletter, including each team's league, tournament and practice schedules.

Practices will begin the week of March 21. Please remember the following when we begin training again:

- ⚽ Bring a ball and water to every practice
- ⚽ Shinguards are MANDATORY
- ⚽ Sessions will start promptly as scheduled. If you are going to be late or are unable to attend, please let your coach or parent manager know.

I want to encourage all of you to attend as many home games and support other teams when possible. (A complete schedule for each team is included in this newsletter and can also be found on each team's page on our website – click on the "club" tab to scroll to team pages.) The players and teams playing really do appreciate the support. I want to build a sense of pride within our club. We should be proud of ALL of our teams and support ALL players!

### PRACTICE T-SHIRT SALE

**SHIRT SALE!** During the first month of the season, we are selling CFC white practice t-shirts for \$5 each, or three for \$12. To purchase shirts, e-mail me at [doc@charlestonsoccer.org](mailto:doc@charlestonsoccer.org). Quantities and sizes are limited, so the sooner you act, the better.

### NEW JERSEYS FOR FALL 2011

Our High School boys teams will be showcasing CFC's new jersey kit and team bags this spring. All teams will move to these new kits in the fall and the kits will have a three-year life, which means, the club will not need to buy new kits until Spring 2014.

### INDOOR TRAINING

Parents and players, please remember: if you are participating in indoor training, we will run training sessions on Tuesday, March 8 and Thursday, March 10, due to previously cancelled sessions. The same schedule applies.

## CFC NEWS FROM THE BOARD

The board is continuing its transition to the City of Charleston Parks and Recreation Department and the process, so far, has been a very smooth one. Our first program available for online registration is the Spring Pre-Academy Skills session for the wee-est of players in the area. If you know families with kids in Pre-K to 2nd grade (who aren't already playing club) send them to our website to sign up! As the semester progresses, we will work out online registration for next fall's club season. You will receive more information about how to do so in the next several months.

As always, we love hearing from you – about how we're doing... what you like, what you think might need a little improvement. As a league, we are growing and gaining some notoriety. Again, none of it is possible without support from you and your players.

Here's to a terrific 2011 Spring Season!
